

QUESTION
 1/1000000

1/00000000000000000000

1/00000000000000000000

Read the instructions carefully. Remove all the components, capsules and strips from the carton. Refer to the Assembly and Function part for the questions. Make sure that you have all the parts before you start assembling. There are five essential furniture parts and a screw. The wall screw is necessary, such as a screw or nail, to be used to fix the furniture.
