

COOKING - 100000

ILLUSTRATIONS

Read the instructions carefully. Remove all the components, capsules and straps from the carton. Refer to the illustrations and formulas part for the quantities. Make sure that you have all the parts before you start assembling. There are five essential parts: the pot, the lid, the cooking pot, the lid, and the cooking pot. The lid and cooking pot will be a large set of components to provide a full set.
