

CLOSING - 000000

10/1/2018

Read the instructions carefully. Remove all the packaging, staples and straps from the carrier. Refer to the Assembly and Furniture part for the questions. Make sure that you have all the parts before you start assembling. There are five essential furniture parts and a cover. The seat and bottom will be a single set connected to the other sections.

PARTS

NOTE: ALL THE PARTS ARE ON ONE SIDE OF THE BOX.
